

Annual Wellness VISITS (AWS)

Care Coordination for Value-Based Care Success

Simplify AWVs and Health Risk Assessments (HRAs) for more effective care delivery. Proactively manage patient health through automatic scoring across substance dependency, behavioral health, and more. Analyze patient risk factors and generate clinical recommendations.

There are 3 Different Wellness Visits

- **Welcome to Medicare Visit / IPPE (G0402)**
Offered within 12 months after enrolling in Medicare. One time benefit.
- **Initial Annual Wellness Visit (G0438)**
Eligible within 11 calendar months after IPPE. One time benefit.
- **Subsequent Annual Wellness Visit (G0439)**
Eligible annually after Initial Annual Wellness Visit.
